Jessica—Thanks. Yes, I would like a hard copy of the final interior housing survey from Feb. I have the 1400 series housing area hard copy, but I understand there was a different report that came out just prior to that.

Hi Nadia,  
I'll pass along the message to Navy (Dave, who is cc'd).

I'm not clear - are you requesting a hard copy of the interior housing surveys that was finalized in February, or do you want just a CD?

Jessica

Jessica—FYI the two documents David rec'd from CBI were "Final Status Survey Report" NCRA for Bigelow Court SWDA IRP 12 and Draft Work Plan NTCRA for SWDA, Westside Drive, etc., IRP 12 Phase III, both March 2015. Please also remind them that I do not need hard copy of Draft documents. I do want to receive Final copies of any radiological scanning reports, especially housing areas. I rec'd the 1400 Series Area Report but looks like I didn't get the Final Housing Area scanning report that came out earlier in February.

Thanks Jessica, I just took the boxes to Nadia's cube. I didn't open them, but perhaps Nadia can identify which ones they are. The mail situation after our move is still a little chaotic.

Hi David,  
Sorry for any confusion -- the Navy has started changing the contact in their cover letters, but guess not all. I will remind them!

What was the last document you received?

Jessica

Hi Jessica,

Hope you are doing well. Nadia has taken over handling the remainder of the Treasure Island FOIA reply, so there is no reason to keep me on the Treasure Island distribution list. I haven't been receiving most documents and correspondence for some time. However, CB&I is still sending their documents to me. Could you please communicate with the appropriate people at CB&I and let them know they should be sending the documents to Nadia?

Thanks,

David Stensby
